

Holidays & Events in November

2nd

Daylight Savings Time Ends

Implemented to maximize daylight working hours as time for sunrise / sunset varies throughout the seasons, Daylight Savings Time ends this year on November 2nd. Remember to "fall back" by setting your clocks 1 hour back when you go to bed on the 1st.

11th

Veterans Day

Celebrated every year on November 11th, the anniversary of the signing of the armistice that ended World War I, Veterans Day is dedicated to thanking Veterans for their services to the United States of America. This is different than Memorial Day in May which is dedicated to the remembrance of those who gave their lives while serving.

27th

Thanksgiving Day

While Thanksgiving Day celebrations started in 1789, it was President Abraham Lincoln who made it a national holiday during the Civil War in 1863, "As a day of Thanksgiving and Praise to our beneficent Father who dwelleth in the Heavens." Psalms 107:1 says, "Oh give thanks to the Lord, for He is good, for His steadfast love endures forever!"
